

An introduction to a way of thinking, Cosmic Meditation explores the universe from the standpoint of the spiritist philosophy. Through a simple, but multi-layered narrative the author guides the reader on an inner journey of exploration, making connections between the metaphysical and spiritist philosophies. The original work was privately printed and appeared in limited numbers nearly thirty years ago. In this new edition the text has been revised, corrected and augmented with a new introduction and many illustrations drawn especially for this edition. Limited to 669 numbered copies. Large 8vo. 100 pages Tipped-in color frontispiece & printed in red and black. Beautifully designed volume.
