

Motivational Quotes No one said the road to success was easy - there are always pitfalls along the way, and procrastination is one of the biggest productivity killers. Even the most motivated of people have days when they struggle to get out of bed or keep working on the goals they have set. Sometimes even the best of us need a push in the right direction to get started. Often all it takes to get back on track is to be inspired by others that have achieved success in their own lives and are passing on their wisdom to you. Whether you're on the rollercoaster of self-employment or simply want to be inspired to be a better person, the 200+ motivational quotes in this book will have you on your way to success. From John F. Kennedy and Albert Einstein to Oprah Winfrey and Richard Branson, there are motivational quotes from people who have all lead completely different lives yet have one thing in common: they are successful. Not every quote in this book will resonate with everyone, but when you find the one that just "clicks" with you, you won't forget it. It will inspire you for years to come. Author Jenny Kellett compiled this book as an act of procrastination, showing that sometimes you find inspiration in the most unlikely of places. Perhaps you'll find yours in this book!
