

Read Write Inc. Phonics Flashcards are a great way to introduce the letters and sounds that make up words - the Speed Sounds. The cards feature all 31 Set 1 Speed Sounds and corresponding letters to enable children to learn phonics and decode words easily. Full colour illustrations and picture cards place the sounds in context, providing an enjoyable way to practise using the sounds they have learnt. Parent notes offer guidance on how to use the cards and tips to support your child's first steps in learning to read. Read Write Inc., developed by Ruth Miskin, provides a structured and systematic approach to teaching literacy. It is used by more than a quarter of the UK's primary schools and is designed to create fluent readers, confident speakers and willing writers.
