

The Divorce Disease is an insightful guide designed to help stimulate relationships and rejuvenate marriages in trouble. Unlike most books on relationships and marriage, The Divorce Disease is not written by a psychologist or therapist. Instead, Terrance K. Phillips provides a pragmatic, personalized approach based on his own past struggle with a painful divorce. The Divorce Disease will show you effective communication techniques, positive dating rituals, and tactics to balance the ups and downs of any relationship with exercises that help strengthen your intimacy muscle. Written in a simple, readable style full of humor and sincerity, The Divorce Disease provides simple yet powerful steps to improve your relationship and fulfill your lifelong desire for a happy marriage. Inside this book are invaluable techniques to stimulate intimacy, encourage equal partnerships, and help create and sustain long, happy marriages. Through personal examples, thoughtful analysis, and helpful summaries at the end of each chapter, Phillips explains how to turn a faltering marriage into a healthy partnership, using clear, actionable strategies for building and maintaining strong relationships. Divorce may no longer be the answer once you have mastered the principles inside The Divorce Disease.
