

Master bladesmith Wayne Goddard draws on his decades of experience to answer questions of knifemakers at all levels. As a columnist for Blade magazine, Goddard has been answering real questions from real knifemakers for the past eight years. Now, all the details are compiled in one place as a handy reference for every knifemaker, amateur or professional. With its question-and-answer format this book gives the answers to real-world problems like heat-treating, choosing the best steel and finding the right tools for the knifemakers shop.
