

Darrell McMann didnt know what to expect when he became a white police officer in the predominantly black areas of Mobile, Alabama. His success came largely from training, luck, improvisation, an indefatigable attitude, and the constant support of his fellow officers. Welcome to the Briar Patch is his true story, a gripping, no-holds-barred journey into the everyday life of a police officer in one of the most racially polarized regions of the country. Exciting, thought-provoking, and with an unflappable sense of humor, McMann guides us into a world that is at once recognizable and completely foreign.
