

Its time to break the cycle. Think back to your childhood. Do you see any similarities between your parenting and the way you were raised? Have you chosen to be just like your parents or the complete opposite? Have you decided to parent differently but havent a clue how to make the changes? How will you be remembered? Our parents made a significant impact on us as a child. We will in turn impact our own childrens futures. Todays actions determine tomorrows results which is why What You Dont Fix... Your Kids Inherit is essential for anyone who cares about the future of their children. Cory and Anamarie Seidel lay the foundation for your childrens success in life by teaching you how to: Examine your past and transform any destructive thought processes that may be affecting your children. Eliminate negativity in your childs life and cultivate a positive home environment. Open new doors of possibilities by teaching your children concepts they will never learn in school and to think on a higher plane. Demonstrate the importance of following your true self rather than following the crowd. Show your children the value of money. Cory and Anamaries tools for building a successful home benefit everyone who influences children, whether they are a teacher, aunt or uncle, first time parent, an experienced couple, or even a grandparent. The ideas presented in What You Dont Fix... Your Kids Inherit enables you to create a confident child and make a positive impact on their future. These are ideas that arent taught in school; they can only be taught by you. Having had five children of their own, Cory and Anamarie know firsthand how to create a powerful home environment to help the children of today become the successes of tomorrow. What You Dont Fix... Your Kids Inherit is filled with insightful tips and techniques to inspire parents who are looking for innovative ways to motivate and connect with their children. This book encourages parents to take a new approach to shape their childrens future. Let Cory and Anamarie inspire you, and in turn you will inspire others by making a difference in the lives of your children and the children of the world. Anamarie and Cory Seidel, parents of 5, are entrepreneurs, speakers, and visionaries. Together, they founded Six-S Solutions, a company dedicated to teaching parents how to inspire their children and take action steps toward their dreams and become successful adults. Through this endeavor, they enjoy helping parents raise a new generation of children. Both Anamarie and Cory have mentored and motivated dozens of parents to achieve a harmonic family life. They understand the value of creating trust and building relationships within the family. The Seidels groundbreaking work in the field of parenting is giving way to numerous teleseminars, podcasts and learning programs. Through their own hectic family schedule as well as their various business endeavors, they have learned the lesson first hand that stress in our lives may be optional but learning how to deal with it is not. Anamarie and Corys webpage; ParentOutLoud.com, helps parents learn to interact with their children in a fun and positive way. Their commitment to inspire families to greatness is evident each and every day through their passionate engagement with each parent they encounter.
